TERMS AND CONDITIONS

To qualify as a FCA Fleet Customer, Customer must meet, and provide evidence of, one of the following requirements: (1) purchases or leases and registers five (5) or more vehicles (any make or model) during the current or preceding calendar year, current or preceding model year or 12-month period; (2) currently operates 15 or more vehicles (owned or leased); or (3) operates a livery with a valid state approved livery license.

Customer represents that it is not an automobile dealer or broker, does not purchase vehicles primarily for resale and meets the minimum requirements to be eligible for the FCA Fleet program as stated in the FCA Fleet Purchase Program Rules.

Customer represents and warrants that all vehicles purchased under the FCA Fleet program will not be resold by Customer until the vehicle either (1) remains in service for at least twelve (12) months after registration, or (2) accumulates at least 12,000 miles. These requirements may change as provided in FCA's Fleet Purchase Program Rules, which are incorporated into this agreement, as amended from time to time. Customer agrees that it has read, understands and agrees to comply with FCA's Fleet Purchase Program Rules, including that it will provide FCA or the selling dealer, promptly upon request, documentation which shows that vehicles purchased under the FCA Fleet program were registered to a fleet customer and kept in service as specified above, and if so requested, to provide access to Customer's records for audit purposes. Customer further agrees that if it does not comply with this agreement, it will repay the value of any fleet program benefits which were paid or credited to it on relevant vehicles and FCA shall have no obligation to honor any pending or future orders by or on Customer's behalf or on behalf of any affiliated company.

This form, along with documentary proof of Customer's eligibility, may be submitted by a Fleet Management and/or Commercial Leasing company on behalf of Customer; however, by signing on the Customer's behalf, Fleet Management and/or Commercial Leasing company certifies that they have provided a copy of the current FCA Fleet Purchase Program Rules to the Customer and Fleet Management and/or Commercial Leasing company shall be responsible for all violations by the Customer of those Rules, including, without limitation, repayment to FCA of all benefits paid or credited to it or to the Customer on all vehicles sold under this fleet account.

A copy of this agreement must be signed by the Customer and/or Fleet Management and/or Commercial Leasing Company and be submitted to FCA within 90 days of activation of Customer's Fleet Account. This agreement will be void and of no force and effect, and Customer's Fleet Account canceled.

This agreement will be part of each and every fleet order submitted by or on behalf of Customer.
