TRUCK GROUP**

# Connect with us like never before using Premier Truck Group's online parts ordering tool.

With only a PC and Internet connection, you can now access our online ordering website. You can enter part numbers, use the online catalog, stock check our inventory, and order parts. The invoice prints, the parts are pulled, and delivered as normal. There is no software to install; no hardware to purchase; no complicated manuals to read; and no messy computer integration issues. You keep your mind on business, not technology. It doesn't get any simpler than this.

## DISCOVER THE BENEFITS OF ONLINE ORDERING WITH THE INDUSTRY'S FASTEST AND EASIEST TOOL.

- **Simple:** Simply type a website address in your browser, enter your assigned Username and Password, and begin ordering. There are no CD-ROMs to load or software to update, and Nexpart is so simple and intuitive, you'll be ordering in minutes.
- **Fast:** Stock checks, catalog lookups, and order placement are measured in seconds; even on dial-up! Get two things done at once. While you are searching for & ordering parts, you can stay focused on your customers.
- **Accurate:** Get the right part, the first time using the electronic catalog. Eliminate misunderstandings, language barrier issues, incorrectly keyed part numbers, or misinterpreted vehicle information. You are able to review your order before sending to make sure it's accurate. Fewer returns, less headaches, more satisfied customers.
- **Convenient:** Need to order that part at 6:15pm after the order desk closed? No problem. Available virtually 24 hours a day, seven days a week, you can place your order and have it waiting for the delivery driver first thing when he gets in the following workday. Also, you can order from anywhere with an Internet connection; work, home, library... anywhere!
- **And Much More:**
  - Get invoice reprints online instantly
  - Import large stock orders from virtually any program or file type
  - Search for parts by name or partial part number
  - Add comments to your order that print on the invoice
  - Save orders by Name, VIN, Repair Order Number and more to recall later.
  - Check for news, specials and announcements on our Home tab
