2013 CHEVROLET SPARK

Version 1.0

Message from your **CHEVROLET TEAM**

Dear Chevrolet Dealer Principal,

The all-new 2013 Chevrolet Spark, the affordable, fuel-efficient and maneuverable mini car, is designed to challenge preconceived notions of how an affordable small car should look, feel and drive. But affordable doesn't have to mean stripped down. Spark offers all the safety tech, interior gadgets and exterior options that appeal to first-time buyers.

With a vehicle that's as easily customizable as Spark, targeted buyers are looking for opportunities to truly personalize their vehicles with accessories that not only will enhance their ownership, but reflect their personalities.

This Spark Accessories Launch Kit can give your salespeople the right information to sell unique Chevrolet Spark accessories options. We urge you to make its contents a personal selling tool on your sales floor.

For further questions, please contact your Chevrolet Zone Team or ADI.

Good selling!

Target CUSTOMERS/Key MESSAGES

SPARK TARGET PROSPECTS ARE STYLE-CONSCIOUS, PRACTICAL URBANITES

They're folks who want a vehicle that looks good and is packed with useful technology on a budget they can afford.

Here's what you should know about them:

- 20-45 years old; younger, more diverse
- Stylish, in the know
- Price-driven, but not cheap
- Purchase from trusted, reliable mid-range brands
- Value simplicity and frugality
 - Will wait for sales
 - Wait until products have been out for a while to save money
- They expect good gas mileage, low maintenance costs and safety
- Functionality and long-term reliability are the primary motivators
- Primarily rely on word-of-mouth recommendations from trusted advisors

Keep in mind that while Spark will target youth in communications, actual consumption will include older buyers.

2013 CHEVROLET SPARK KEY MESSAGES:

Here are the Chevrolet Spark's six key vehicle attributes and how to position them:

1. THEY DON'T HAVE TO SACRIFICE TO SAVE

Spark will be the lowest-priced Chevrolet entry and is expected to be the lowest-priced Mini Car entry. But it still comes packed with standard features like air conditioning, power windows and 10 air bags.

2. THEY GET GREAT CONNECTIVITY FEATURES IN A MINI CAR AT THIS PRICE

Spark offers a 7" diagonal color touch-screen radio, Chevrolet MyLink Radio with Pandora internet radio, BringGo navigation app (late availability) and Stitcher SmartRadio, Bluetooth wireless technology for select phones and SiriusXM Radio.

3. THEY GET A RELIABLE RIDE

It's the only car in its segment to come standard with a 100,000-mile/5-year powertrain warranty. Plus, customers get the benefit of courtesy transportation and roadside assistance.

4. THEY'LL LOOK GOOD DRIVING AROUND

It pairs 5-door versatility with sporty 3-door looks that are complemented by expressive and stylish interior and exterior color choices. A rear spoiler and 15" aluminum wheels enhance its athletic appeal.

5. THEY'LL ZIP IN AND OUT OF TIGHT SPOTS WITH EASE

Its tight turning radius, trim size, 4-wheel antilock brakes and size make it ideal for urban driving. Plus, Spark's standard Hill Start Assist technology on manual transmission models and StabiliTrak Electronic Stability Control System with Traction Control and Brake Assist make it easy to navigate congested city streets.

6. THERE'S PLENTY OF ROOM FOR THEIR FRIENDS AND STUFF

Spark is 3' longer than the Smart fortwo, over 2' longer than the Scion iQ and features flip-and-fold rear seats with 31.2 cu. ft. of cargo volume with the second row seats folded down.

PACKAGING *At A Glance*

Spark is available in LS, 1LT and 2LT models. The walk from LS to 1LT is primarily comfort and convenience features. The walk from 1LT to 2LT is primarily exterior appearance items and the addition of heated front seats. Here's a look at key standard content by trim level:

Limited Production Option (LPO)

A Limited Production Option (LPO) is a preordered option that includes a single accessory or a collection of accessories that are a part of a special package.

FEATURES AND BENEFITS OF LPO PROGRAM

- Ordered same as RPOs during vehicle order process
- Fully residualized (listed on the Monroney Label)
- Covered by New Vehicle Limited Warranty*
- Included in floor plan
- Provided by ADI and installed by Dealer
- Labor paid through warranty system similar to Pre-Delivery Inspection (PDI)

For a complete list of current LPO Packages and details, please refer to the Online Order/Reference Guide, found on the Order Workbench on GM GlobalConnect.

The LPO Packages are available to order via the workbench configurator, using the unique option code associated with each package. For additional information on any LPO Package, please contact your ADI.
