FEBRUARY 2015 GM ACCESSORIES SALES MANAGER BONUS PROGRAM

CHEVROLET ■ BUICK ■ GMC ■ CADILLAC

- ★ This program is intended to reward those Dealer Managers that most influence Accessory Sales.
- ★ **ENROLLMENT:** All enrollment selections made during the January Accessories Sales Manager Bonus Program will automatically carry over for the February program. Enrollment updates can be made via the GM earnPOWER site, located in GM Global Connect.
- ★ **PROGRAM PERIOD:** February 3, 2015 – March 2, 2015
- ★ **HOW TO QUALIFY:** Dealer Managers who qualify under the GM Accessories Sales Manager Bonus Program will qualify for a payout in earnPower Rewards only if the dealership meets or exceeds the following for the month of February:

2015 GM Accessories Sales Manager Bonus – February				
Bonus Level	Requirements	Accessories Objectives		Accessories Bonus Payout **
Level 1 Bonus	Dealers must achieve the following:	Accessories Sales Objective*	—	\$20/VIN
Level 2 Bonus	Dealers must achieve both of the following:	Accessories Sales Objective*	New Vehicle Retail Sales Objective	\$25/VIN

*February 2015 Accessories objectives are based on specific criteria; Dealer objectives are determined by combining all divisional objectives within the BAC.

**Accessories Dealer Bonus Payout Potential is based on Level 1 or 2 attainment, multiplied by February Eligible Deliveries. February Eligible Deliveries are SFE eligible deliveries delivered and reported in February, per the 2015 GM Sales Calendar. Variations between New Vehicle Retail Sales Actual and February Eligible Deliveries may be due to SFE eligibility filters.

Dealers who wish to have some or all of their payment credited to their Open Account need to indicate the percentage of the allocation they want for this option when enrolling in the program. This is done on the last line on the Enrollment/Allocation screen (the Open Account allocation type).

NEW! Accessories Decals

Chevrolet and GMC have developed new showroom kit decals to highlight top selling accessories on Silverado, Sierra, Colorado and Canyon.

We recommend:

- These decals were designed for a dark-colored 2015 Silverado/Sierra, Silverado/Sierra HD or Colorado/Canyon Crew Cab.
- The decals should be placed as close as possible to the actual feature (see below for recommended placement).
- These decals should be placed on a vehicle that is displayed inside the dealership. Long-term exposure to the sun may cause the decals to be very difficult to remove.
- After installing, it may take up to a day for the water under the decals to fully dry. Any fogginess in the transparent portion of the decals will become clear when dry.
- Not all clings are applicable to all vehicles. Check below for cling listings by vehicle.
