

3 AXLE ALIGNMENT SPECIAL!

\$299*

Shims and parts extra

POOR ALIGNMENT COSTS YOU MONEY ON TIRES & FUEL.

Getting your truck aligned every 50 to 60 thousand miles can help save money by reducing the excessive tire wear and extra fuel consumption caused by increased rolling resistance. Make sure you make every mile you drive a little more efficient by bringing your truck in for a Premier Truck Group alignment special today.

PROPER ALIGNMENT PAYS OFF IN THE LONG RUN.
