Truck Bucks<sup>SM</sup> discounts are preloaded on the card and are tracked by your membership number. Discounts and length of promotion will vary, so check back often to see what you might need. Your discount at the time of purchase will be automatic – no need to carry around coupons! Current promotions will always be available for you to view on the website at [www.mytruckbucks.com](http://www.mytruckbucks.com).

When you purchase an item that has a discount, just present your card to the salesperson and they will deduct the discount price from your invoice. Your card will then be automatically updated showing you have redeemed that item. If you don't have your card with you, the salesperson can look it up using your phone number or e-mail address.
